

**MANUFACTURERS' REPRESENTATIVE FOR WATER AND WASTEWATER  
PUMPING AND TREATMENT SYSTEMS**

**BARNES®**

- *Sithe Chopper Submersible Pump*
- *Solids Handling Pumps*
- *Blade NGV / XGV Grinder Pumps*
- *EcoTRAN Pressure Sewer System*
- *Omni Grind Plus - Grinder Pumps*
- *Sump Pumps*

**SULZER**

- *Vertical Turbine Pumps*
- *Axially Split Case Pumps*
- *ANSI Pumps*
- *Barrel Casing Pumps*
- *High Pressure / R.O. Pumps*
- *Blowers / Static Mixers*

**WEINMAN®**

- *NSF 61 Certified Single Stage Split Case Pumps*
- *L / LVM / JD Split Case Pumps*
- *End Suction Pumps*
- *Non-clog Vertical Column Sump Pumps*
- *Condensate Return Systems*
- *CV Series High Volume Pumps*

**burks®**

- *Vertical Inline Pumps*
- *Regenerative Turbine Pumps*
- *Condensate Return Pumps*

 **PPS**  
automation • pumping systems

- *Pre-Engineered Packaged Booster Station*
- *Customized Automation*
- *Network Integration*

*Pureflow*  
FILTRATION DIV.

- *Arsenic, Iron, and Manganese Removal*
- *Ion Exchange Systems*
- *Fluoride Removal*
- *Custom Built PLC Based Control Panels*
- *Radium and Uranium Removal*
- *Multi-process Solutions*

**Primozone®**

- *Ozone Generators*
- *Backflow Protectors*
- *Ozone Distribution Modules*
- *Ozone System Controllers*
- *Ozone Generation*
- *Ozone Injection Systems*

**VAF™ filtration systems**  
an EVOQUA brand

- *Automatic Self-Cleaning Filters*
- *Cooling Tower Filters*
- *Hydrocyclone Centrifugal Sand Separators*
- *Inline Strainers*

**RELIANT**  
Water Technologies

- *Lagoon / Pond Aeration*
- *Wet Well Aeration*
- *Bio Augmentation*
- *FOG / BOD / Odor Control*
- *Lagoon Profiling*
- *Pond / Lake Profiling*

**cec**

- *In-House UL508A Panel Shop*
- *Custom Control Panels*
- *VFD Panels*
- *Switchgear*

 **Warminster Fiberglass**  
Water and wastewater Treatment  
Products keeping America's Water Clean

- *Prefab All-Weather Fiberglass Shelters*

 **FLOWLINE™**  
LEVEL BEST

- *Pulse Radar Liquid Level Transmitters*
- *Remote Display Module*

 **OmniSite**  
SCADA Remote Monitoring

- *SCADA Alternative Remote Monitoring*
- *Online Data Access*
- *Visual Alarm Light*
- *Cellular Transmitting*

Inland Environmental  
Resource

- *Magnesium Oxide*
- *Magnesium Hydroxide*
- *Gener-Ox*
- *HydroCal*

California Environmental Controls, Inc.

Your Pump & Water Process Partner

For over 45 years, CEC has offered class-leading technology in the municipal & industrial water and wastewater industries.

CEC specializes in integrated engineered systems from conceptual design through equipment start-up and field service. Our in-house engineering & design teams, in conjunction with our UL 508A registered panel shop, provide the expertise required for prudent equipment selection & application. CEC proudly serves Southern California and Southern Nevada.

Markets served:

Municipal  
Industrial  
Mining  
Food Processing  
Utilities  
HVAC  
Mining

6739 Washington Ave., Whittier, CA 90601
