

**MANUFACTURERS' REPRESENTATIVE FOR WATER AND WASTEWATER  
PUMPING AND TREATMENT SYSTEMS**

- Conveyors
- Grit Removal
- Screens
- Auto Filling Storage Bins

- Vertical Turbine Pumps
- Axially Split Case Pumps
- End Suction / ANSI Pumps
- Barrel Casing Pumps
- High Pressure / R.O. Pumps
- Blowers / Static Mixers

- Static Mixers
- Open Channel Mixers
- Enclosed Duct Mixers

- MBR
- Desalination
- Zero Liquid Discharge
- Reverse Osmosis

- Ozone Generators
- Backflow Protectors
- Ozone Distribution Modules
- Ozone System Controllers
- Ozone Injection Systems

- Arsenic, Iron, and Manganese Removal
- Ion Exchange Systems
- Fluoride Removal
- Ozone Generators / Systems
- Radium and Uranium Removal
- Biological Treatment

- Pre-Engineered Packaged Booster Station
- Customized Automation
- Network Integration

- Automatic Self-Cleaning Filters
- Cooling Tower Filters
- Hydrocyclone Centrifugal Sand Separators
- Inline Strainers

- Lagoon / Pond Aeration
- Wet Well Aeration
- Bio Augmentation
- FOG / BOD / Odor Control
- Lagoon Profiling
- Pond / Lake Profiling

- In-House UL508A Panel Shop
- Custom Control Panels
- VFD Panels
- Switchgear

- CFE / MVE Evaporators
- Thermal Evaporators
- Drum Evaporators
- Slurry Dryers

- Pulse Radar Liquid Level Transmitters
- Remote Display Module
- Ultrasonic Level Sensors

- SCADA Alternative Remote Monitoring
- Online Data Access
- Visual Alarm Light
- Cellular Transmitting

- Hydrogen Sulfide Odor Control
- Clarifiers
- Digesters
- Dissolved Air Floatation

California Environmental Controls, Inc.

Your Pump & Water Process Partner

For over 45 years, CEC has offered class-leading technology in the municipal & industrial water and wastewater industries.

CEC specializes in integrated engineered systems from conceptual design through equipment start-up and field service. Our in-house engineering & design teams, in conjunction with our UL 508A registered panel shop, provide the expertise required for prudent equipment selection & application. CEC proudly serves Southern California and Southern Nevada.

Markets served:

Municipal  
Industrial  
Mining  
Food Processing  
Utilities  
HVAC  
Oil and Gas

6739 Washington Ave., Whittier, CA 90601
